**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) to (f): The Ministry of Labour and Employment launched eShram portal (eshram.gov.in) on 26th August 2021 for creation of a comprehensive National Database of Unorganised Workers (NDUW) seeded with Aadhaar. eShram portal is meant to register and support the unorganised workers by providing them a Universal Account Number (UAN) on a self-declaration basis.

As on 6th August 2025, over 30.98 crore unorganised workers have already registered on eShram portal. The target of 38.37 crore unorganised worker in india is based on the Periodic Labour Force Survey carried out by the National Statistics Office (NSO). As on 06.08.2025, 80.74 percentage of workers in the unorganised sector have been registered on eShram Portal.

State/UT-wise details of unorganised workers registered on eShram Portal is Annexed.

Steps taken by the Government to improve registration rates in States like Kerala are:

i. Holding periodic review meeting with States/UTs.

ii. Regular meeting with Common Services Centre (CSC).

iii. To provide employment and skilling opportunities, eShram is integrated with National Career Service (NCS) and Skill India Digital Portal.

iv. To offer one-stop search and discovery of the Government schemes, eShram is integrated with myScheme portal.

v. SMS campaign to create awareness.

vi. Social media platforms are also being used to spread awareness among workers to register on eShram. State Seva Kendras (SSKs) and services of Common Service Centres are onboarded to facilitate assisted mode registrations of unorganised workers.

vii. Registration camps and awareness drives are conducted for the implementation and outreach of the e-Shram Scheme. These camps are organised by Ministry from time to time in coordination with Common Service Centre (CSC), Dattopant Thengadi National Board for Workers Education and Development (DTNBWED) and State Labour Department.

To further enhance the availability and accessibility of eShram and its associated services to unorganised workers, the Ministry of Labour and Employment officially launched the eShram mobile application on 24th February 2025. This application facilitates real-time access to welfare schemes integrated with the eShram platform, thereby significantly strengthening both accessibility and user convenience.

To evaluate the effectiveness of eShram portal, a third party evaluation/ impact assessment of eShram has been taken up by the Quality Council of India (QCI).
