**ANSWER**

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a): Under Prime Minister- Rashtriya Krishi Vikas Yojana (PM-RKVY) components are Detailed Project Report (DPR); Per Drop More Crop (PDMC); Rainfed Area Development (RAD); Sub-Mission on Agriculture Mechanization (SMAM) including Crop Residue Management (CRM); Soil Health and Fertility (SH&F); Paramparagat Krishi Vikas Yojana (PKVY); Agro-Forestry and Crop Diversification Programme (CDP).

(b): RKVY-RAFTAAR supports individuals as well as community and institutional assets. Details of direct and indirect beneficiaries are not maintained centrally.

(c): PM -RKVY allocation and fund released to State of Andhra Pradesh from 2022-23 to 2024-25 is as under:

Component	(Rs in crore)					
	2022-23		2023-24		2024-25	
	Allocation	Release	Allocation	Release	Allocation	Release
<b>RKVY DPR</b>	183.20	45.79	86.33	86.33	86.33	80.54
<b>PDMC</b>	300.00	222.82	230.00	105.75	352.00*	337.85
<b>SMAM</b>	47.45	47.45	51.00	-	50.99	50.99

\* Including additional allocation of Rs.102.00 crore under PDMC in 2024-25.

(d): Additional funds are allocated to the better performing states on the basis of utilization of funds and from the savings availability, if any, after mid-term review of the scheme. Additional allocations of Rs.57.46 crore (under PKVY) and Rs.102.00 crore (under PDMC) were made during financial year 2023-24 and 2024-25 respectively to the State of Andhra Pradesh.

(e): For mitigating the risk of farmers and additional income generation, farmers are supported through Integrated Farming System (IFS) under RAD. The beneficiaries are provided Rs. 30,000/- and they are encouraged to adopt mixed cropping practices like horticulture, livestock, fishery, plantation, apiculture etc. to enhance productivity, minimize risk associated with climate variability and improve livelihoods of farmers.

As reported by the State of Andhra Pradesh, several training programs and capacity-building initiatives have been carried out under PDMC scheme to equip farmers with the knowledge and skills necessary to adopt improved practices:

i. Farmer Training Programs: - On best practices in micro irrigation, crop planning, fertigation, pest management and climate-resilient practices.

ii. Exposure Visits of farmers to successful model farms to encourage adoption of innovative farming techniques.

iii. Skill Development Programs on topics (i.e. integrated nutrient management, organic farming, value addition and marketing strategies) conducted in collaboration in collaboration with Krishi Vigyan Kendras (KVKs), Horticultural Universities, and other training institutes.

iv. Capacity Building of Extension Staffs: - Continuous training of field functionaries and APMIP technical staff to ensure effective on-ground implementation and farmer handholding.
