ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a): Under the Pradhan Mantri Gram Sadak Yojana (PMGSY), funds are being released by the Ministry to the State Government as a unit, and the State Government further allocates these funds at the district and sub-district levels. The funds are being released under PMGSY to the States based on the work sanctioned to them, as well as the unspent balances of previous releases available with them and compliance with programme guidelines. Under the PMGSY, the Ministry had released ₹2,708.72 crore as Central share to the State of Maharashtra, and the State has incurred an expenditure of ₹4,445.65 crore (including the State share) during the financial years 2022–23 to 2025–26 (as on 16.07.2025). The district-wise details of expenditure incurred, including under State share, during the last three years and current year is given at Annexure. The

district-wise details of expenditure are available at omms.nic.in->Progress Monitoring:-> MPR.

(b) & (c): The Ministry has been implementing PMGSY since the year 2000, with various verticals focusing on new connectivity and upgradation works. The prescribed timeline for completion of projects under PMGSY-I (in States other than Chhattisgarh) was March 2025. The timeline for completion of ongoing projects under PMGSY I (in Chhattisgarh), PMGSY-II, PMGSY-III, and the Road Connectivity Project for Left Wing Extremism Affected Areas (RCPLWEA) is March 2026. PMGSY-IV has been approved by the Government to provide new connectivity to eligible 25000 habitations and the timeline for completion of works under this scheme is FY 2028-2029.

(d): The details of road length constructed under various interventions/verticals of the PMGSY during the last three financial years and the current financial year are as under:

Financial Year	Road length constructed (in km)
2022-23	1,143.70
2023-24	1,570.12
2024-25	2,046.45
2025-26 (as on 16.07.2025)	267.24
Total	5,027.51
