ANSWER

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a) to (e): As per the National Disaster Management Plan (NDMP), the primary responsibility of disaster management including damage assessment and providing relief measures on ground level, rests with the State Governments concerned. The Central Government provides requisite logistics and financial support to the efforts of the State Governments. The State Governments provide financial relief to the affected people in the event of 12 notified natural disasters, from the State Disaster Response Fund (SDRF), already placed at its disposal, in accordance with approved items and norms of Government of India (GOI). However, in the event of disaster of a 'severe nature', additional financial assistance is extended from the National Disaster Response Fund (NDRF), as per laid down procedure, which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT). The financial assistance provided under SDRF and NDRF is by way of relief and not for compensation.

Details of crop losses, farmers affected due to various calamities, amount disbursed to the affected farmers from SDRF is at Annexure I.

No memorandum seeking financial assistance under NDRF, has been submitted by the State Government of Uttar Pradesh during the last three years.
