**ANSWER
THE MINISTER OF YOUTH AFFAIRS & SPORTS
{ DR. MANSUKH MANDAVIYA }**

(a) to (d) 'Sports' being a State subject, the responsibility of development of sports, including development of sports infrastructure across the country, rests primarily with the respective State/Union Territory Governments. The Union Government only supplements their efforts by bridging critical gaps. There is no proposal under consideration in this Ministry to develop sports infrastructure in the State of Jharkhand. However, the Khelo India Scheme and National Sports Development Fund (NSDF), implemented by this Ministry, under which financial assistance for development of sports infrastructure is provided are demand-driven schemes. The details of the

sports infrastructure projects approved and their sanctioned cost, funds released and their physical and financial progress, under Khelo India Scheme and NSDF, across the country, including in the State of Jharkhand, are available in public domain on the dashboards of the Ministry at <https://mdsd.kheloindia.gov.in> and <http://www.nsdf.yas.gov.in/nsdf-glance.html>.

(e) As of now, National Centres of Excellence is not operational in the State of Jharkhand. However, there are 02 SAI Training Centres (STCs), 01 Extension Centre, 24 Khelo India Centres and 10 Khelo India Accredited Academies in the State of Jharkhand.
