LOK SABHA**

**UNSTARRED QUESTION NO. 4228.
TO BE ANSWERED ON TUESDAY, THE 19TH AUGUST, 2025.**

LOGISTIC PARKS AND EXPORT PROMOTION ZONES IN TELANGANA

4228. SHRI BALRAM NAIK PORIKA:

Will the Minister of **COMMERCE AND INDUSTRY** be pleased to state:

वाणिज्य एवं उद्योग मंत्री

- (a) whether there are any plans or proposals for establishing new logistic parks or export promotion zones in Telangana;
- (b) if so, the details including their locations, objectives, and estimated costs;
- (c) the current status of these proposals, specifying whether they have been approved, rejected, or are pending for approval; and
- (d) the steps are being taken or planned to expedite the approval and implementation of these proposals to enhance trade and economic development in Telangana?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री जितिन प्रसाद)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI JITIN PRASADA)**

(a) to (d): Government has approved various locations across the country for establishing Multi Modal Logistics Parks (MMLPs). A land parcel of about 300 acres has been identified by Telangana Trade Promotion Corporation (TGTPC) at Parkibanda village of Manoharabad Mandal in Medak District, Telangana for development of the MMLP in the State. The total estimated project cost for the said MMLP is about Rs. 1775 Crore.

The objective of establishing this MMLP is to develop an integrated logistics hub that enhances freight movement, reduces logistics costs, ensures multimodal connectivity and through warehousing and value added services improves the supply chain in the region.

Land acquisition for the MMLP has been completed, and an MoU has been signed for its establishment between National Highways Logistics Management Ltd., Telangana State Trade Promotion Corporation Ltd. and Rail Vikas Nigam Ltd. This project has been evaluated by the Network Planning Group of Govt. of India.

The use of technology, especially Geo-spatial digital technology, and the PM GatiShakti initiative are helping to streamline the planning process and expediting implementation of the project.

Special Economic Zones (SEZs) may be set up to serve as effective instruments for export promotion of merchandise and services, either jointly or severally by the Central Government, State Government or any individual for manufacture of goods or rendering services or for both. At present, no proposal for setting up of a SEZ has been received from the State of Telangana.
