STATUS OF CALLING NAME PRESENTATION FACILITY IN MOBILE NETWORKS

4440. SHRI M K RAGHAVAN:

Will the Minister of COMMUNICATIONS be pleased to state:

- (a) the details of the status of implementation of Calling Name Presentation (CNAP) facility in mobile networks;
- (b) the expected timeframe for the facility to become fully operational across the country;
- (c) whether this facility will be available only on smartphones; and
- (d) if so, the details thereof?

ANSWER

**MINISTER OF STATE FOR COMMUNICATIONS AND RURAL DEVELOPMENT
(DR. PEMMASANI CHANDRA SEKHAR)**

(a) to (d) Recommendations of Telecom Regulatory Authority of India (TRAI) on “Introduction of Calling Name Presentation (CNAP) Service in Indian Telecommunication Network” has been received, wherein TRAI has recommended that prior to the implementation of CNAP service on pan-India basis in Indian telecommunication network, a trial and assessment of implementation of CNAP service should be undertaken. The trial and assessment of the implementation of CNAP service for 4G and above technologies has been conducted by Telecom Service Providers (TSPs) in their telecommunication networks. On the basis of outcome of such trial and assessment by TSPs, the Government shall take decision on implementation of CNAP service in mobile networks.
