- (d) if so, the details thereof including the position of Madhya Pradesh;
- (e) whether the Government has conducted any study regarding the impact of bringing petrol and petroleum products under GST; and
- (f) if so, the details thereof, State-wise?

ANSWER

पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्यमंत्री
(श्री सुरेश गोपी)

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI SURESH GOPI)

(a) to (b) Article 279 A (5) of the Constitution prescribes that the Goods and Services Tax Council shall recommend the date with effect from which the goods and services tax would be levied on petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas and aviation turbine fuel (ATF). As per the section 9(2) of the CGST Act, 2017, inclusion of these products in GST will require recommendation of the GST Council. So far, the GST Council, in which all States are represented, has not made any recommendation for inclusion of these goods under GST. Presently, LPG is covered in the GST regime.

(c) to (d) The GST Council in its 55th meeting held on 21st December 2024 had discussed to include ATF, one of the petroleum products, under the GST Regime. However, the said proposal was rejected by the Council.

(e) to (f) Since the above products are not covered under GST and also no recommendation has been made so far by the GST council, therefore, it would be pre-mature to assess the likely impact of prices on the consumers.
