- (c) the district-wise details and number of schools opened, closed and merged during the last two years along with the reasons therefor;
- (d) the number of the Government and private universities and colleges currently running in Rajasthan along with the sanctioned/vacant posts therein particularly in Barmer-Jaisalmer regions;
- (e) whether the posts have not been sanctioned in upgraded schools; and
- (f) if so, the reasons therefor?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(SHRI JAYANT CHAUDHARY)

(a) to (c), (e) to (f): As per information provided by the Rajasthan Government, the district-wise details of number of Government primary, upper primary, secondary and higher secondary schools currently running in Rajasthan State is at Annexure-I.

The details of Government schools upgraded by the State Government during the last three years is at Annexure-II.

The details of Government schools opened, closed and merged by the State Government during the last three years is at Annexure-III and Annexure-IV.

Education being a subject in the Concurrent List of the Constitution, majority of the schools in the country comes under the administrative control of States/UTs. The recruitment, service conditions and rational deployment of teachers come under the purview of the respective

State Governments/UT Administrations. The details of the vacancies of the teachers in schools are maintained by respective States/Union Territory Administrations. Recruitment is a continuous process and vacancies arise due to a number of factors like retirement, resignation, increased requirement of teachers because of the enhanced students' strength, etc. The Government also requests States/UTs to fill vacant posts of teachers, from time to time, to ensure timely recruitment of teachers by adopting a transparent and merit-based process through autonomous teacher recruitment boards. The progress regarding filling up of teacher vacancies through a competitive selection examination conducted by States/UTs, with due care for consistency and sanctity and after a technology based comprehensive teacher requirement planning and forecasting exercise, is periodically reviewed through regular meetings with States/UTs as well as through advisories. The State Government has informed that sanctions of posts of teachers in new schools has been done.

(d): As per AISHE 2021-22 report, the total number of Private and Government degree colleges in Rajasthan is 3521 and total Universities is 90 including Barmer-Jaisalmer regions. Currently, there is one Central University of Rajasthan where sanction faculty position is 248 and the vacant faculty position is 70. The recruitment powers vests with the respective State Government and no active role of the Ministry is involved therein. Occurring of vacancies and filling thereof is a continuous process. The vacancies arise due to promotion, retirement, resignation, death, opening of new institutions, schemes or projects, and additional requirements on account of enhanced students' strength and expansion of capacity in existing institutions.
