GOVERNMENT OF INDIA MINISTRY OF RURAL DEVELOPMENT DEPARTMENT OF RURAL DEVELOPMENT

LOK SABHA STARRED QUESTION NO. 127 ANSWERED ON 09/12/2025

FUNCTIONING OF RSETIS

*127. Shri Gopal Jee Thakur: Shri Jagdambika Pal:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the details and number of Rural Self Employment Training Institutes (RSETIs) operational in the country and their impact on rural youth, State-wise including Jharkhand, Himachal Pradesh, Chhattisgarh and Andhra Pradesh, district-wise particularly Darbhanga (Bihar), Shahdol Lok Sabha Constituency (Madhya Pradesh), Cuttack (Odisha), Jalgaon (Maharashtra), districts;
- (b) whether the Government has achieved the core objectives of RSETIs and outcome in strengthening rural entrepreneurship, skill training and the specific outcomes recorded, if so, the details thereof, particularly in Jalgaon district of Maharashtra;
- (c) the details regarding training, loan linkages, enterprise establishment and employment attainment in the country including Hazaribagh and Ramgarh districts of Jharkhand;
- the number of youth trained and settled during the last ten years (d) and the current year, along with the number of youth engaged in self-employment and salaried jobs out of the said trained youth, including Odisha, Himachal Pradesh, Andhra Pradesh. Chhattisgarh and Bihar including Shahdol Lok Sabha Constituency (Madhya Pradesh), Siddharthnagar (Uttar Pradesh), Jalgaon (Maharashtra) districts;
- (e) whether any recent evaluation or review has been conducted to identify challenges related to the quality of training, credit-linkage or post-training guidance;
- (f) if so, the details of the key findings and corrective actions initiated in this regard including the details of the key amendments made under RSETI 2.0 as compared to RSETI 1.0; and

(g) the details of major records introduced under RSETI 2.0 and the manner in which these reforms will enhance training effectiveness and employment outcomes for youth in Jalgaon Lok Sabha Constituency?

ANSWER MINISTER OF RURAL DEVELOPMENT (SHRI SHIVRAJ SINGH CHOUHAN)

(a) to (g): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (g) OF LOK SABHA STARRED QUESTION NO. *127 TO BE ANSWERED ON 09.12.2025 REGARDING "FUNCTIONING OF RSETIS"

- (a): The details and number of Rural Self Employment Training Institutes (RSETIs) operational in the country and their impact on rural youth:
 - i. Rural Self Employment Training Institutes (RSETIs), supported by the Ministry of Rural Development and sponsoring banks, provide short-term, demand-driven skill training to rural youth, in the age group of 18-50 years, with a focus on self-employment and micro-enterprise development. The trainings are fully funded by Government of India, largely residential, and provide trainings in 70 National Skills Qualifications Framework (NSQF) aligned courses as of now. The list of course is given in Annexure-I. Based on the requirements at States/UTs level, more courses are being considered to be included in the existing list of courses.
- ii. RSETIs also provide credit-linkage facilitation and handholding support to trainees for up to two years after the completion of training. Special emphasis is given to women, SC/ST communities, minorities, persons with Disabilities (PwDs), and SHG members to ensure inclusive participation. Additionally, through convergence with various government schemes and departments, training programmes are extended to beneficiaries identified under NRLM, PMEGP, DAY-NULM, MUDRA, and other livelihood and entrepreneurship promotion initiatives.
- iii. As of now, a total of 625 RSETI centres are actively functioning across 612 districts in 33 States and Union Territories. These institutes are supported and sponsored by 25 financial institutions, including public sector banks, private sector banks, Regional Rural Banks (RRBs), and state cooperative banks. Between 2014–15 and 30.11.2025, 64 new RSETIs have been made functional, of which 28 were established between June 2024 and 30.11.2025.
- iv. The Ministry of Rural Development (MoRD) provides 100% of the training, boarding, and lodging costs for rural poor candidates undergoing training at RSETIs. As approved in FY 2020–21, financial assistance of ₹2.00 crore is being provided to sponsoring banks for the construction of RSETI buildings. Currently, 400 RSETIs operate from their own constructed buildings, while the remaining centres function from rented

- premises. The process of constructing dedicated buildings for these remaining RSETIs is ongoing.
- v. The number of RSETIs State wise/District wise and Bank wise including Jharkhand, Himachal Pradesh, Chhattisgarh and Andhra Pradesh, district-wise particularly Darbhanga (Bihar), Shahdol Lok Sabha Constituency (Madhya Pradesh), Cuttack (Odisha), Jalgaon (Maharashtra), districts are given in Annexure-II.
- vi. Provision has been made for adequate staffing at all RSETIs, including a Director, two Faculty members, two Office Assistants, one Attender, and one Watchman-cum-Gardener. In addition, Domain Skills Trainers (DSTs) are empanelled at the State level, along with Monitoring and Assessment Teams at both the State and National levels, to ensure smooth functioning of the RSETIs and to provide beneficiaries with quality training and related facilities. Details are provided in Annexure-III.
- vii. Since inception, RSETIs have trained approximately 59 lakh candidates across the country, achieving an average settlement rate of around 70–75%. The programme has made a significant contribution to enhancing employability, improving access to finance, and supporting local enterprise development among rural youth. This, in turn, has helped in reducing distress migration and promoting sustainable rural livelihoods.
- (b) to (d): Yes, the Government has achieved its core objective of RSETIs and the details on training and settlement, loan linkages, self-employment, Wage employment, etc in the country including Jalgaon district of Maharashtra, Hazaribagh and Ramgarh districts of Jharkhand and Odisha, Himachal Pradesh, Andhra Pradesh, Chhattisgarh and Bihar including Shahdol Lok Sabha Constituency (Madhya Pradesh), Siddharthnagar (Uttar Pradesh), Jalgaon (Maharashtra) during the last ten years and current year (since 2015-16) are given in Annexure-IV.
- (e) to (g): Yes, an Evaluation/Impact Study of the Rural Self Employment Training Institutes (RSETIs) has been conducted by the National Academy of RUDSETI (NAR) in agreement with the Academy of Management Studies (AMS), Lucknow. Report of Evaluation/Impact Study of RSETI may be accessed through link https://kaushal.rural.gov.in/assets/files/Evaluation-Impact-Study-of-Rural-Self-Employment-Training-Institutes.pdf. Some of the key positive observations from the study are as follows:

- a. RSETIs are present in nearly every district of the country. They have a wide reach and are having a considerable impact on the employment prospects of rural poor youth by kindling an entrepreneurial spirit and teaching them technical skills.
- b. RSETIs are operating based on a set of SOPs. Overall performance of RSETIs are good and meeting the objectives of scheme.
- c. 94% of trainees were satisfied with the Faculty.
- d. A large majority (95%) were also satisfied with the course curriculum that was followed.
- e. Majority of the trainees enrolled into RSETI in order to establish an enterprise and become self-employed.
- f. Only 2% of trainees did not receive their final certificate either because they did not collect it or because they dropped out of the course. Majority (95%) received their certificates with the first two months of training completion which was a positive indicator as it allowed trainees to pursue loan applications and employment without a long gap.
- g. 86% of trainees that were followed-up felt that the followup period was adequate. This was highest in the Hilly States at 95% and lowest in the Southern States at 85%.

Further, the study also recommended:

- i. To improve the availability and quality of infrastructure:
 - a. Mandating a reasonable time span for RSETIs to develop a permanent campus after their establishment to ensure that RSETI Institutes have the mandated facilities required to deliver quality training.
 - b. Conducting off-campus trainings only be allowed after ensuring availability of quality equipment and infrastructure.
- ii. To improve processes involved in trainee enrolment and organizing the training programme:
 - a. Enrolment targets for selection of beneficiaries be reduced. This could ensure that only those candidates with a sincere interest towards self-employment are vetted and enrolled. This would improve the efficiency of the enrolment process, help achieve better settlement rates, making the approach of training more qualitative and in-depth.

- b. A majority, 80% of the trainees were women as opposed to 20% men. Since most women preferred to be selfemployed, enroll in Product and Process related courses, and engage in activities that allowed them to work from home, it is recommended that the offering of relevant courses be also tailored to meet this demand.
- c. A means of verifying that practical is conducted and completed as part of the Institute monitoring could be established to ensure that this critical component is being covered.
- d. EDP components of skill-training courses received the lowest ratings by trainees. Since the objective of RSETIs is to not only teach trainees technical skills but also empower them to run enterprises, it is recommended that this gap be addressed by improving the EDP components of skill training courses
- e. Extending the duration of training is recommended by adding the practical and entrepreneurial components of skill courses.
- iii. To address the issue of quality Faculty for training:
 - a. It is recommended that certain programs be made mandatory for both Directors and Faculty to undergo so that they are better able to perform their roles. Avoiding frequent change of Directors would also work to ensure that the RSETIs function in a non-disruptive manner.
 - b. It is recommended that either expanding the staff by creating separate wings for pre- and post-training facilitation, or having higher remuneration would allow and motivate them to perform better, while also making them coveted positions to be sought.
- iv. To improve the effectiveness of post training follow-up and tracking system:
 - a. In order to make the process of follow-up more efficient, it is recommended that trainees be followed-up through telephone calls until they are settled. Once settled, self-employed trainees can be followed-up though personal visits which would allow the staff to see how the trainee is running the enterprise and provide guidance if required. Trainees that have not been able to get settled six months after training can be invited to group meetings on campus which can be held quarterly or bi-yearly, so that their grievances are addressed and they are guided to start their enterprises.
 - b. It is recommended that ASARE (the alumni association of RUDSETI) be made a trainee-run forum whereby

successful trainees who are closely associated with the Institute be identified in each district and entrusted with the responsibility of conducting quarterly ASARE meetings under the guidance of the Director and Faculty.

- c. Facilitation of credit linkage by RSETIs needs to be improved.
- d. Additionally, application of loans through the Jan Samarth Portal can be encouraged across all RSETIs, which would fast-track the process of application and increase the rate of approval of loans.

Based on the above recommendations, the following corrective measures have been initiated:

- a. The infrastructure assistance grant for RSETIs has been increased from ₹1 crore to ₹2 crore.
- b. Stakeholder banks have been instructed to ensure the construction of boundary walls at all RSETIs to enhance the safety of trainees.
- c. To meet the diverse training needs of candidates, the range of training courses offered by RSETIs has been expanded.
- d. A unified, integrated portal has been developed to enable realtime monitoring of the scheme.
- e. All RSETIs have been directed to install IP-enabled CCTV cameras for live monitoring of training programmes.
- f. To improve quality of the faculties, Refresher Trainings and Training of Trainers (ToT) programmes are being conducted.
- g. Credit linkage support to trainees has been enhanced from 30% to 50% of trained candidates, strengthening post-training follow-up.

The detail of the key amendments made under RSETI 2.0 as compared to RSETI 1.0 is enclosed as Annexure-V. These amendments introduced, will enhance training effectiveness and improve employment outcomes for youth across the country, including those in the Jalgaon Lok Sabha Constituency. RSETI 2.0 Guidelines may be accessed through link "https://kaushal.rural.gov.in/assets/files/Guidelines-and-SOP-for-RSET-2.0-Phase-II-%20reg.pdf".

A separate study conducted by NITI Aayog has also examined the programme's performance and identified key constraints. Report of Evaluation Study of NITI Aayog may be accessed through link "https://kaushal.rural.gov.in/assets/files/Evaluation-of-Centrally-Sponsored-Schemes-in-Package-5-Rural-Development-Sector.pdf".

Annexure referred to in reply of part (a) of Lok Sabha Starred Question No. 127 due for reply on 09.12.2025
