**ANSWER
MINISTER OF RURAL DEVELOPMENT
(SHRI SHIVRAJ SINGH CHOUHAN)**

(a) to (f): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (f) OF LOK SABHA STARRED QUESTION NO. *135 TO BE ANSWERED ON 09.12.2025 REGARDING “DELETION OF JOB CARDS UNDER MGNREGS”

(a): Mahatma Gandhi NREGS is a demand-driven wage employment scheme and the responsibility of implementation of the scheme is vested with the Government of concerned States/UTs. Updation/deletion of Job Cards is a regular exercise conducted by the States/UTs. Job cards have been deleted mainly for the reasons such as fake/duplicate/incorrect job cards, family shifted from Gram Panchayat permanently, Gram Panchayat classified as Urban and there was only one member name in the job card he/she has expired etc. However, while deleting/ removing workers/Job cards, States/UTs have to ensure compliance with provisions of the Act and the Standard Operating Procedure issued by the Ministry to ensure that no job card of deserving or eligible household is deleted/cancelled. States/UTs-wise number of job cards deleted from Mahatma Gandhi NREGS since 2019-20 to 2024-25 is given at Annexure-I.

Note: As per NREGASoft, during the FY 2019-20 to 2024-25, total number of job cards deleted by the States/UTs was 457.97 Lakh while, in the same period total number of job cards added by the States/UTs was 654.22 Lakh.

(b): State/Union Territory(UT)-wise number of workers deleted from job cards under Mahatma Gandhi NREGS during the period of 10-10-2025 to 14-11-2025 are given in Annexure-II.

Note: As per NREGASoft, during the period of 10-10-2025 to 14-11-2025, total number of workers added by the States/UTs was 10.84 Lakh.

(c): State/Union Territory(UT)-wise number of workers deleted from job cards under Mahatma Gandhi NREGS during the financial years 2019-20 to 2023-24 are given at Annexure-III.

Note: As per NREGASoft, during the FY 2019-20 to 2023-24, total number of workers added by the States/UTs was 881.68 Lakh.

Number of workers deleted from job cards in Ambedkar Nagar and Ayodhya district of Uttar Pradesh part of which is part

of AmbedkarNagar LokSabha Constituency during the same period are given below:

District	2019-20	2020-21	2021-22	2022-23	2023-24
Ambedkar Nagar	4757	5384	7934	150137	109539
Ayodhya	719	1976	1684	44361	62877
Total	5476	7360	9618	194498	172416

(d): To ensure transparency and accountability in the implementation of Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS), the Ministry has decided that States/UTs shall ensure capturing of attendance at the worksite through National Mobile Monitoring System (NMMS) App with two-time stamped, geo-tagged photographs of the workers in a day for all the works (except Individual Beneficiary Work) through NMMS w.e.f. 1st January, 2023.

Further, in order to ensure timely payment of wages to the beneficiaries under Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) and to address the issues arising due to frequent changes in bank account numbers of the beneficiaries and subsequent non-updation, it was decided to implement Aadhar Payment Bridge System (APBS). This has been made mandatory with effect from 1st January 2024.

Here, it is stated that Job cards can not be deleted due to reason of NMMS and non linking of bank accounts with Aadhar.

(e)& (f): To streamline the process of deletion of Job cards, Ministry of Rural Development has recently issued a Standard Operating Procedure (SOP) vide letter dated 25.01.2025 to all States/Union Territories, with clear guidelines for deletion and restoration of job cards. The SOP ensures compliance with the Mahatma Gandhi NREGS guidelines, promotes transparency, protects the rights of workers by defining conditions for deletion, setting up a grievance redressal mechanism, and ensure the settlement of pending liabilities if any before deletion/cancellation.

The SOP emphasizes the importance of due process, including the publication of draft lists of job cards marked for deletion, verification at Gram Sabhas, and the right of appeal for affected workers. It also mandates the linking of job cards with Aadhaar to

eliminate duplicate and fraudulent entries. These measures are aimed at preventing misuse of job cards while ensuring that genuine beneficiaries are not excluded. The Ministry is committed to maintaining the integrity of Mahatma Gandhi NREGS and ensuring that the benefits of the scheme reaches the eligible rural households.

Further, the Annual Master Circular provides for a dedicated Grievance Redressal Module in NREGASoft, which allows workers/citizens to lodge complaints and track responses, in addition to written complaints, telephone helplines and entries in the “Complaint Register” (one of the seven mandatory registers at GP level).

The Centralized Public Grievance Redress and Monitoring System (CPGRAMS) is one of the major grievance redressal mechanisms available for lodging complaint. It is an online platform where citizens can file complaints related to the implementation of MGNREGA and ensure their grievances are addressed efficiently.
