

GOVERNMENT OF INDIA
MINISTRY OF CHEMICALS AND FERTILIZERS
DEPARTMENT OF FERTILIZERS

LOK SABHA

STARRED QUESTION NO.95* TO BE ANSWERED ON: 05.12.2025

AVAILABILITY OF FERTILIZERS

95* : SHRI SATPAL BRAHAMCHARI:

Will the **Minister of CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) whether a short fall in the availability of various fertilizers like urea, DAP, NPK and Potash is observed from time to time in the Sonapat Lok Sabha Constituency in Haryana, if so, the details thereof;
- (b) whether the Government has made any recent district-wise assessment of the actual availability of fertilizers, the demand-supply gap and the efficiency of the distribution network on the State of Haryana, districts-wise, if so, the details thereof;
- (c) whether any specific instructions have been issued for the supply of rail rakes, increasing warehousing capacity and timely distribution to retailers to ensure timely availability of fertilizers to farmers; and
- (d) if so, the details of the current stock levels and the availability status for the upcoming season along with the steps taken to ensure adequate supply of fertilizers in the said Constituency?

ANSWER

MINISTER FOR CHEMICALS & FERTILIZERS

(SHRI JAGAT PRAKASH NADDA)

(a) to (d): A statement is laid on the table of the House.

STATEMENT REFERRED TO LOK SABHA STARRED QUESTION NO. 95* FOR 05.12.2025 REGARDING “AVAILABILITY OF FERTILIZERS” TABLED BY SHRI SATPAL BRAHAMCHARI.

(a) The mandate of Department of Fertilizers is to ensure adequate availability of fertilizers at State level. The distribution of fertilizers within the State at district level is done by the concerned State governments. Accordingly, State government of Haryana has informed that no report regarding shortfall in the availability of Urea, DAP, MOP and NPKS has been reported from Sonipat Lok Sabha Constituency during the current and previous cropping seasons.

(b) State Agriculture Department has conducted district-wise assessments of fertilizer availability across Haryana. To cover demand-supply gaps and improve distribution efficiency, the iFMS portal has been fully integrated with the MFMB system i.e. Meri Fasal Mera Byora. Besides, regular coordination meetings are also held between the State Agriculture Department and fertilizer companies, Haryana State Cooperative Supply & Marketing Federation Ltd. (HAFED), Primary Agriculture Cooperative Societies (PACS), and district authorities to ensure smooth stock movement and timely availability of fertilizers to farmers.

(c) & (d) Following steps are taken by the Government every season for ensuring timely and adequate availability of fertilizers in the country, including the State of Haryana:

(i) Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the State-wise & month-wise requirement of fertilizers.

(ii) On the basis of requirement projected by DA&FW, D/o Fertilizers allocates adequate quantities of fertilizers to States by issuing monthly supply plan and continuously monitors the availability.

(iii) The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called integrated Fertilizer Monitoring System (iFMS).

(iv) The State Governments are regularly advised to coordinate with manufacturers and importers for streamlining the supplies through timely placement of indents.

(v) Regular coordination meetings are held with Ministry of Railways for giving sufficient rakes, priority to fertilizers and for timely evacuation of rakes for States.

However, warehousing is done by fertilizer companies and State governments.

Further, the information regarding requirement, availability, sales and closing stock of fertilizers viz. Urea, DAP, MOP and NPKS in Haryana during the ongoing Rabi 2025-26 season (as on 02.12.2025) is shown in the table given below:

FERTILIZER POSITION OF HARYANA DURING RABI 2025-26 (Fig. in MT)					
S. NO	PRODUCT	Pro rata Requirement From 01/10/2025 to 02/12/2025	Availability From 01/10/2025 to 02/12/2025	Cumulative DBT Sales From 01/10/2025 to 02/12/2025	Closing Stock as on 02/12/2025
1	UREA	6,38,065	7,13,410	4,86,930	2,26,480
2	DAP	2,45,645	2,83,740	2,13,410	70,330
3	MOP	10,323	28,800	7,100	21,700
4	NPKS	56,935	46,500	19,130	27,370

The current stock position of fertilizers in Sonipat district of Haryana includes 17,506 Metric Tons of Urea, 8,167 Metric Tons of DAP, 2,131 Metric Tons of MOP and 1,526 Metric Tons of NPKS.
