ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SHRI JAYANT CHAUDHARY)**

(a): For upgradation and capacity building of schools under the National Education Policy, 2020, PM SHRI scheme has a provision to saturate PM SHRI schools with various components such as computer lab/ICT lab/smart classrooms, library with good furniture, internet facility, vocational skill education, guidance and career counselling, fully equipped integrated science lab/physics lab/chemistry lab/biology lab, playground with well-equipped sports facilities, school innovation council, youth and eco club for mission life, BaLa features and jaadui pitara for primary school children, 10 bagless days for students, child tracking software for tracking the children attendance, fully functioning handwashing facility and toilets, green school features etc.

(b) The State/UT/KVS/NVS/NCERT-wise amount of funds sanctioned along with the number of schools benefited under the PM SHRI scheme including Rajasthan and Bihar is attached as **Annexure-I**.

(c) & (d): As per National Education Policy 2020, implementation of the policy requires multiple initiatives and actions, which will have to be taken by multiple bodies in a synchronized and systematic manner. NEP 2020 provides different timelines as well as principles and methodology for its implementation. It also envisions operationalization of the entire policy in the decade of 2030-40, following which another comprehensive review will be undertaken. Education is in the concurrent list of the Constitution. Majority of schools are managed by respective State/UT Governments. The Ministry of Education takes necessary steps to support States in implementing NEP 2020.

(e): Under the PM SHRI scheme, a total of 13,076 schools have been selected from 33 States/UTs along with KVS, NVS, and NCERT. The State/UT-wise number of schools selected including Rajasthan and Bihar, district-wise under PM SHRI scheme is attached as **Annexure-II**.

(f): The criteria adopted by the Government for selecting the schools under the PM SHRI scheme are provided under “Selection Methodology (Page no. 13-22)” of the PM SHRI Framework, available at the link: https://pms shri .education.gov.in/assets/pdf/part1_pms shri .pdf.

(g): The following steps have been taken to monitor timely completion of infrastructure and quality benchmarks in the PM SHRI schools:

- i. Monitoring of expenditure through a separate PRABANDH Portal (<https://prabandh.education.gov.in/pms shri />) developed by NIC, enabling monitoring of utilisation and outcomes under various components approved by PAB.
- ii. Conduct of regular monthly reviews with States/UTs to assess progress.
- iii. A dedicated PM SHRI schools activities portal (<https://pms shri .education.gov.in/sqaf/activities>) has been developed to capture real-time data from schools, including student-level outcomes, infrastructure readiness, component-wise saturation, and progress on key indicators.
- iv. A School Quality Assessment Framework (SQAF) has been developed as per the recommendations of National Education Policy (NEP), 2020, indicating the level of proficiency to be achieved by each PM SHRI school. SQAF is divided into six main domains, based on the six pillars of the PM SHRI scheme.
- v. Field visits by officials of the department for on-ground monitoring of the PM SHRI schools under the scheme.

(h): The number of PM SHRI schools selected from the districts of Udaipur, Salumber, Dungarpur and Pratapgarh along with the amount of funds allocated are as follows:

S.No.	Districts	Number of PM SHRI schools	Allocated funds (in crores)		
			FY 2023-24	FY 2024-25	FY 2025-26
