ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a) & (b): Pradhan Mantri Gram SadakYojana (PMGSY) was launched as a one-time special intervention to provide rural connectivity, by way of a single all-weather road, to the eligible unconnected habitations of designated population size as laid in the extant programme guidelines. The scheme has completed its timeline for sanctioning of road projects under PMGSY-I, II and III. The unit for PMGSY is a habitation and not a village. Under PMGSY, road projects are sanctioned based on the project proposal received from the respective States/UTs and after due scrutiny as per programme guidelines.

The progress made by districts Karauli and Dholpur under PMGSY to date is as given in the table below:

	Sanctioned			Completed			(Rsin crore)
District	No.of roads	Road length in km	No.of Bridge	No.of roads	Road length	No.of Bridge	Expenditure (incl. State share)
Karauli	313	1199	4	313	1102	4	265.84
Dhoulpur	283	1139	0	283	1051	0	279.65

The total number of habitations connected so far under PMGSY in the district Karauli is 250, and in the district Dholpur is 236.

Further, the Government has launched a new vertical Pradhan Mantri Gram SadakYojana–IV (PMGSY-IV) in September 2024, which aims to construct 62,500 km of all-weather roads to provide connectivity to approximately 25,000 eligible unconnected habitations. These include habitations with population 500+ in plains, 250+ in North Eastern and Hill States/UTs, special category areas (such as Tribal Schedule V areas, Aspirational Districts/Blocks, and Desert areas), and 100+ in Left Wing Extremism (LWE) affected districts, as per Census 2011.

In the districts of Karauli and Dholpur, the State Government has mapped 7 and 1 habitations respectively as unconnected habitations. Road projects to be sanctioned based on the proposal received from the State, and after due scrutiny as laid out in the guidelines of the PMGSY.
