(a): As per the National Policy on Disaster Management (NPDM), the primary responsibility for disaster management, including disbursement of relief assistance on ground level, rests with the State Governments concerned. The State Governments undertake relief measures in the wake

of natural calamities, from the State Disaster Response Fund (SDRF) already placed at their disposal, in accordance with Government of India approved items and norms. The Central Government supplements the efforts of the State Governments and provides requisite logistics and financial support. Additional financial assistance is provided from National Disaster Response Fund (NDRF), as per laid down procedure, in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT).

During the year 2025, the Central Government has Constituted IMCTs for on-the-spot assessment of the damages caused due to disaster in the State of Himachal Pradesh, Punjab, Uttarakhand and Jammu & Kashmir, as per the following details: -

S.no	State	Date of Constitution	Date of visit

03	Uttarakhand	08th August 2025	7th to 9th September 2025

No IMCT has been constituted for the State of Kerala during 2025. Based on the IMCT report, further action is taken as per the established procedure.
