ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a): State-wise number of AmritSarovars constructed/ rejuvenated as on 04.12.2025 under Mission AmritSarovar phase-I is given at Annexure.

(b)& (c): The Objective of Mission AmritSarovar is the “construction/development of at least 75 AmritSarovar (ponds) in every district of the country”. All rural districts of all States/UTs (except Delhi, Chandigarh and Lakshadweep) was to develop at

least 75 AmritSarovarstotalling about 50,000 AmritSarovars in the country. As on 04.12.2025 under Mission AmritSarovar phase-I, a total of 68,827 AmritSarovars across the nation have been constructed/ rejuvenated.

The total number of AmritSarovars constructed/ rejuvenated under the Mission AmritSarovar in the State of Rajasthan as on 04.12.2025 is 3,139.

(d): The total number of AmritSarovars constructed/ rejuvenated under the Mission AmritSarovar in Dausa district of Rajasthan as on 04.12.2025 is 78 Sarovars.

(e): The Mission works through convergence from various schemes such as Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS), 15th Finance Commission Grants, Pradhan MantriKrishiSinchayeeYojana (PMKSY) sub-schemes such as Watershed Development Component, HarKhetkoPani, besides States' own Scheme and Corporate Social Responsibility (CSR).

For effective implementation of Mission AmritSarovar, comprehensive technical support is provided to the participating State/UT Governments. This includes guidance through the Mission AmritSarovar Guidelines, supplementary advisories, technical workshops, and continuous handholding support as and when States/UT face operational challenges.

In addition, the Government has developed AmritSarovar Portal, which enables State Governments to monitor progress and generate status reports. Further, a Water Observatory has been created in collaboration with IIT Delhi, providing map-based access to details of completed Sarovars, including seasonal and monthly pondage area information. These digital tools strengthen data-driven monitoring and enhance transparency.

The progress of AmritSarovars is also regularly monitored at the Central level with a focus on promoting community participation, establishment of user groups, and facilitation of livelihood activities and developing the AmritSarovars sites as vibrant community hubs.
