(d): Government has taken various steps to strengthen implementation of this scheme all over India to bring transparency and onboard modern technology to ensure timely settlement of claims:

- Government has undertaken development of **National Crop Insurance Portal (NCIP)** as a single source of data ensuring subsidy payment, co-ordination, transparency, dissemination of information and delivery of services including direct online enrollment of farmers, uploading/obtaining individual insured farmer's details for better monitoring and to ensure transfer of claim amount electronically to the individual farmer's Bank Account.
- In order to rigorously monitor claim disbursement process, a dedicated module namely '**Digicloud Module**' has been operationalized for payment of claims from Kharif 2022 onwards. It involves integration of NCIP with Public Finance Management System (PFMS) and accounting system of Insurance Companies to provide timely & transparent processing of all claims. .
- Also, towards leveraging technology in implementation of the scheme, various steps like capturing of yield data/Crop Cutting Experiments (CCEs) data through CCE-Agri App & uploading it on the NCIP, allowing insurance companies to witness the conduct of CCEs, integration of State land records with NCIP, introduction of YESTECH (Yield Estimation System Based on Technology) & WINDS (Weather Information Network and Data System) etc. have already been taken to improve timely settlement of the claims to farmers.
- The Government has actively supported the awareness activities being carried out by the States, implementing Insurance Companies, financial institutions, and Common Service Centres (CSCs) network to disseminate key features of PMFBY amongst farmers and members of Panchayati Raj Institutions (PRIs).
- Structured awareness campaign 'Crop Insurance Week/Fasal Bima Saptah' has been initiated by the Ministry of Agriculture and Farmers Welfare since Kharif 2021 season onwards. Along with this, 'Fasal Bima Pathshalas' are also being organized at village/GP level for knowledge building of farmers on various aspects of scheme implementation.
- Government had also organized a nationwide Doorstep Crop Insurance Policy/receipt Distribution mega drive – 'Meri Policy Mere Haath'. Hard copies of crop insurance policy receipts are distributed to farmers enrolled under PMFBY through special camps at gram Panchayat/village level.
