ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (d): As per the National Policy on Disaster Management (NPDM), the primary responsibility for disaster management, including disbursement of relief assistance on ground level, rests with the State Governments concerned. The State Governments undertake relief measures in the wake of natural calamities, from the State Disaster Response Fund (SDRF) already placed at their disposal, in accordance with Government of India approved items and norms. The Central Government supplements

the efforts of the State Governments and provides requisite logistics and financial support. Additional financial assistance is provided from National Disaster Response Fund (NDRF), as per laid down procedure, in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT).The details of the funds allocated and released under SDRF/NDRF to the States are available on Disaster Management, MHA's website i.e. ndmindia.mha.gov.in.

This Ministry does not centrally maintain data regarding the number of natural disasters reported in the country. However, the details of damages reported by States/UTs due to hydro-meteorological disasters during the years 2020-21 to 2024-25 are provided at *Annexure-I*. Further, the details of calamity-wise funds approved and released by the Government of India under the NDRF during the last five years, i.e., 2020-21 to 2024-25, are given at *Annexure-II*.
