Government of India is geared up to execute projects, however success depends upon the support of Government of Karnataka.

Sanction of any railway project depend upon many parameters/factors which include the following:

- **Anticipated traffic projections and remunerativeness of the proposed route**
- **First and last mile connectivity provided by the project**
- **Connection of missing links and providing additional route**
- **Augmentation of congested/saturated lines**
- **Demands raised by State Governments/Central Ministries/Public representatives**
- **Railway's own operational requirements**
- **Socio-economic considerations**
- **Overall availability of funds**

Completion of Railway project/s depends on various factors which include the following:

- **Land acquisition by State Government**
 - **Forest clearance**
 - **Shifting of infringing utilities**
 - **Statutory clearances from various authorities**
 - **Geological and topographical conditions of area**
 - **Law and order situation in the area of project site**
 - **Number of working months in a year for particular project site**
- etc.**

All these factors affect the completion time and cost of the project/s.
