

GOVERNMENT OF INDIA  
MINISTRY OF COAL  
**LOK SABHA**  
**UNSTARRED QUESTION NO-1634**  
ANSWERED ON- 10/12/2025

**OPERATIONAL COAL MINES**

†1634.SHRI RAJKUMAR ROAT:

Will the Minister of **COAL** be pleased to state:

- (a) the number of coal mines allocated and the number of mines currently operational so far in the country along with the area of mines, State and company-wise;
- (b) the type and area of land allotted or unacquired for these mines, State and mine-wise;
- (c) the number of people who have been displaced due to coal mine allocation so far and the amount of compensation given to them particularly tribal displaced persons, State and mine-wise;
- (d) whether the consent of the Gram Sabha has been obtained under the Provisions of the Panchayat Extension to the Scheduled Area (PESA) Act before the allotment of land under the Fifth and Sixth Schedule and if so, the details thereof particularly Hasdeo Aranya of Chhattisgarh; and
- (e) the number of coal mines currently in the Government and Private sector ownership along with the details of production and income from these mines, mine-wise?

**ANSWER**

THE MINISTER OF COAL & MINES  
(SHRI G. KISHAN REDDY)

(a)&(b) A total of 213 captive and commercial coal blocks have been allocated by the Ministry of Coal of which 77 coal blocks are operational. List of operational mines along with their total area, State and Allocattee is attached at ***Annexure I***.

Acquisition of land is undertaken in accordance with the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (RFCTLARR Act, 2013), Coal Bearing Areas (CBA) Act, 1957 and other applicable laws of respective State Governments. Forest land is transferred after obtaining statutory Forest Clearance, including settlement of rights under the FRA Act, 2006 wherever applicable. The area of land acquired or under acquisition is dynamic and progresses in phases, aligned with the mine plan, statutory approvals and State-specific implementation schedules.

(c) The extent of displacement and compensation is project-specific and determined at the State and district level through joint measurement and verification. To safeguard the interest of tribal persons, the Panchayats (Extension to the Scheduled Areas) Act (PESA Act) mandated

obtaining the consent NoC from the Gram Sabha as a mandatory prerequisite for land acquisition in Scheduled Areas.

(d) Yes, the consent of Gram Sabha is being obtained as a pre-requisite for carrying out land acquisition in the scheduled areas under the Provisions of the Panchayat Extension to the Scheduled Area (PESA) Act. The required FRA process is being followed under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 for diversion of Forest Land for coal mining. In cases pertaining to Scheduled Areas, including those in Hasdeo Aranya in Chhattisgarh, Gram Sabha resolutions and associated statutory compliances are integrated into the land acquisition proceedings conducted at the State level and the forest clearance process.

(e) Out of 213 Captive and Commercial coal blocks allocated by Ministry of Coal, 137 coal blocks have been allocated to private sector and remaining 76 blocks to Govt. sector. 64 Coal mines have started coal production as of now. Mine-wise production and revenue generated from these 64 coal mines during FY 2024-25 is attached at ***Annexure II***.
