ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS

(SHRI KIRTI VARDHAN SINGH)

(a to c) Government has taken note of international media reports on various aspects of India, including on the internal situation in the country. It closely monitors such reports and, as required, counters any baseless claims and assertions made about India. In the recent past, a few foreign leaders have commented on certain internal issues of India. These statements have been strongly taken up with the concerned governments. In addition, the Government has also issued clarifications to counter inaccurate representations as and when necessary.
