- (b) if so, the details of additional fertilizer depots, cooperative centres and online subsidy tracking system set up or proposed to be set up in the said district?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) & (b) The mandate of the D/o Fertilizers is to ensure adequate availability of fertilizers at State level. However, the assessment and distribution of fertilizers within the State at district level is done by the concerned State government. Accordingly, State government of Rajasthan has informed that in Bharatpur district, subsidized fertilizers are distributed from the Bharatpur, Hindon, and Alwar rake points. All authorized distributors supply fertilizer to retail outlets operating at the district, block, gram panchayat, and even village levels. Farmers are free to purchase fertilizer from any retail shop nearest to them.
