- (b) the details of percentage of literate people in the country as on date, State/UT-wise and district-wise in Tamil Nadu;
- (c) the details of steps taken by the Government to solve the problem of illiteracy in the country; and
- (d) the details of the percentage of literacy in the country on a global scale?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF EDUCATION  
(SHRI JAYANT CHAUDHARY)

(a) to (d) : The Government of India is implementing the Centrally Sponsored Scheme namely, “New India Literacy Programme (NILP)” popularly known as ULLAS (Understanding of Lifelong Learning for All in Society) - Nav Bharat Saaksharta Karyakram, aligned with the National Education Policy 2020, from 2022-2027 to support all the States and Union Territories, including Tamil Nadu, in promoting literacy among non-literates across the country. The Scheme targets non-literates aged 15 years and above who have missed formal schooling and provide educational opportunities to them to make them literate.

In context with ULLAS - Nav Bharat Saaksharta Karyakram the Literacy is defined as the ability to read, write, and compute with comprehension, i.e. to identify, understand, interpret and create, along with critical life skills such as digital literacy, financial literacy, etc.

The criterion for declaring a State/UT fully literate is achieving a literacy rate of 95% or above. Till now, Five States/UTs Ladakh (2024), Mizoram (2025), Goa (2025), Tripura (2025), and Himachal Pradesh (2025) have achieved full literacy under ULLAS.

The details of State/UT-wise percentage of literate people in the Country as per PLFS Report 2023-24 is at Annexure.
