ANSWER

The Minister of State of the Ministry of Development of North Eastern Region
(Dr. Sukanta Majumdar)

(a) to (d) Ministry of Development of North Eastern Region (MDoNER) organized Rising Northeast Investors Summit 2025 to catalyze trade and investment in the North Eastern Region. The focus sectors of the summit identified for attracting investment in the North Eastern Region were Tourism and Hospitality; Agro-Food Processing & allied sectors; Textiles, Handloom and Handicrafts; Healthcare; Education and Skill Development; IT/ITeS; Entertainment & Sports; Infrastructure

and Logistics; and Energy. Collectively, the Summit and its pre-event roadshows garnered investment interests of ₹ 4.48 lakh crore through Memoranda of Understanding (MoU), letters of intent, and qualified leads from private investors, public sector undertakings, and major industrial conglomerates. The investment will enhance industrial capacity of North Eastern Region as well as provide employment opportunities. State Governments are actively engaged with all the investors for grounding of the investment interests. Further, various steps have been taken by North Eastern State Governments to facilitate investment, which *inter alia*, include single window clearance, establishment of investment promotion agency, creation of land banks, incentives for investments etc.

For strengthening the industrial eco-system and attracting private investment in North Eastern Region, Government of India is implementing Uttar Poorva Transformative Industrialization (UNNATI) Scheme. The incentives provided under UNNATI scheme are (i) Capital Investment Incentive; (ii) Central Capital Interest Subvention Incentive; and (iii) Manufacturing & Services Linked Incentive.
