- (b) if so, the number and status, State-wise and project-wise along with the estimated cost thereof;**
- (c) the number of National Highway projects for which bids were invited and received during the last ten years but construction is yet to begin and the reasons therefor;**
- (d) whether the Government is taking any specific policy or corrective measures to ensure timely completion, check cost escalation and expedite the work on these delayed National Highway projects; and**
- (e) whether the Government is preparing any action plan to restart and complete all pending or not yet started National Highway projects in a timely manner in Rajasthan including Dausa, if so, the details thereof?**

ANSWER

**THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS
(SHRI NITIN JAIRAM GADKARI)**

- (a) to (b) 643 under construction National Highways (NHs) projects with a total cost of about Rs. 4.13 lakh crore, which were sanctioned and subsequently awarded since the Financial Year 2014-15 onwards, have spilled beyond their original completion schedule as per contract, without**

attaining any of the various stages of project completion and excluding projects under consideration for termination / foreclosure. State-wise details of delayed projects are annexed.

(c) 158 NH projects with total cost of about Rs. 1.15 lakh crore have been awarded but appointed date could not be declared pending fulfilment of prerequisite conditions, inter-alia, availability of encumbrance free land and clearances including forest and wildlife clearances excluding available time period with contractor/concessionaire for achievement of financial close and submission of bank guarantee.

(d) and (e) The Government in the Ministry of Road Transport & Highways has taken various steps to streamline land acquisition process by leveraging the mechanism of review and resolution of bottlenecks / hindrances in ongoing projects, in active collaboration with the State Governments and other stakeholders. Further, Government is making full efforts to expedite the availability of necessary clearances / approvals and the fulfilment of conditions precedent for new projects.
