**ANSWER
THE MINISTER OF YOUTH AFFAIRS & SPORTS
[DR. MANSUKH MANDAVIYA]**

(a) to (b): The Government of India implements the following two important schemes in close coordination with the National Sports Federations to support the elite sportspersons for all their upcoming international tournaments including the Olympics in 2028 Los Angeles, USA and 2032 Brisbane, Australia.

Assistance to National Sports Federations (ANSF):

Financial assistance is provided to recognized National Sports Federations (NSFs) for training of elite athletes, exposure competitions, engagement of foreign coaches/support staff, equipment and other High-Performance related activities.

Target Olympic Podium Scheme (TOPS):

Under TOPS, customized support is extended to identified athletes with proven medal potential for Olympics and Paralympics. This includes foreign/Indian training, international competitions, sports science support, equipment, out-of-pocket allowance and support staff.

(c) to (d): Bidding to host the Olympic Games in India is the responsibility of the Indian Olympic Association (IOA) and allotment of hosting rights for the Olympics is done by the International Olympic Committee (IOC) through a detailed host selection process.

The host selection process is available in public domain on IOC website at <https://www.olympics.com/ioc/becoming-an-olympic-games-host/the-process-to-elect-olympic-hosts>. IOA has submitted a letter of intent to IOC. The bid is now in the “Continuous Dialogue” phase with the Future Host Commission of IOC.
