ANSWER

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a) to (c): Every year, Government fixes Minimum Support Prices (MSPs) for 22 mandated agricultural crops for the country as a whole including Delhi, based on the recommendations of Commission for Agricultural Costs & Prices (CACP), after considering the views of State Governments and Central Ministries/Departments concerned. Government's price policy is to ensure remunerative prices to farmers by offering to procure their produce at MSP. However, farmers are free to sell their produce to the Government procurement agencies at MSP or in the open market, whichever is advantageous to them.

Price Support Scheme (PSS) which is a components under the Pradhan Mantri Annadata Aay SanraksHan Abhiyan (PM-AASHA) for procurement of notified oil seeds, pulses and copra directly from pre-registered farmers conforming to the prescribed Fair Average Quality (FAQ) norms by Central Nodal Agencies through the State level agencies at Minimum Support Price (MSP) announced by the Government as and when prices fall below the MSP during the harvesting period. This scheme is implemented at the request of the concerned State Government / Union Territories which agrees to exempt the procured commodities from levy of mandi tax and assist Central Nodal Agencies in logistic arrangements including gunny bags, working capital for state agencies, creation of revolving fund for PSS operations, etc as required under the scheme guidelines. However no proposal has been received from Government of Delhi under PSS.
