**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY  
(SHRI JITIN PRASADA)

(a) to (h): The Digital Personal Data Protection Rules, 2025 (“Rules”) were notified on 13 November 2025.

The Government studied global best practices while drafting the act and rules. This approach guided the provisions on transparency in personal data processing, adequate security measures, and Data Principals’ rights, and ultimately ensured consistency with international standards.

During the formulation of the Rules, the Government sought public feedback by publishing the draft Rules on the MyGov portal and undertaking public consultations in nine cities nationwide.

These consultations witnessed participation from a diverse set of stakeholders, including startups, MSMEs, industry associations, civil society groups, and various government departments, all of whom submitted detailed recommendations.

In addition, 6,915 comments were received from individuals and organisations through the MyGov portal.

After notification of Rules on 13th Nov 2025, steps have been taken for establishing the DPB as per rules.
