

GOVERNMENT OF INDIA  
MINISTRY OF CIVIL AVIATION  
**LOK SABHA**  
**UNSTARRED QUESTION NO. : 768**

(To be answered on the 4<sup>th</sup> December 2025)

**EXPANSION OF COIMBATORE AIRPORT**

768. THIRU THANGA TAMILSELVAN

Will the Minister of CIVIL AVIATION **नागर विमानन मंत्री** be pleased to state:-

- (a) whether it is a fact that the Master Plan for the expansion of Coimbatore Airport is being undertaken by the Airports Authority of India (AAI) including the increase in the length of runway from 2990 meters to 3810 meters, construction of a new passenger terminal, cargo terminal and an air traffic control-cum-technical building, construction of precast boundary wall for the newly acquired land for the project, increase the length of runway, new passenger terminal and cargo terminal;
- (b) if so, the details thereof along with the time by which the proposed expansion is likely to be completed; and
- (c) whether the Government is facing any impediments in executing the expansion works and if so, the details thereof?

**ANSWER**

Minister of State in the Ministry of CIVIL AVIATION

**नागर विमानन मंत्रालय में राज्य मंत्री**

(Shri Murlidhar Mohol)

---

(a) to (c): The expansion of airports is a continuous process and is undertaken by the Airport Operators from time to time depending on the availability of requisite land, commercial viability, socio-economic considerations, and the traffic demand or willingness of airlines to commence/increase operations. The proposal for construction of New Integrated Terminal Building (T3) along with new apron bays at Coimbatore Airport is at a preliminary stage in Airports Authority of India.
