ANSWER

**MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS AND MINISTER OF
STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

[SHRI HARSH MALHOTRA]

(a): The Ministry does not maintain parliament constituency-wise CSR data. All data related to CSR filed by companies in MCA21 registry is available in public domain and can be accessed at www.csr.gov.in. On the basis of annual filings made by companies in the MCA21 registry, District-wise and Development Sector-wise CSR expenditure in Haryana during the Financial Years 2022-23 and 2023-24 is attached at Annexure-I and Annexure-II respectively.

(b) to (d): The CSR framework is disclosure based and CSR mandated companies are required to file details of CSR activities annually in the MCA21 registry. Under the Act, CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor CSR activities of the company based on the recommendation of its CSR Committee. The Board of the company is required to disclose the CSR Policy implemented by the company in its Board report. The Board of the company has to satisfy itself that the funds so disbursed have been utilised for the purposes and in the manner as approved by it, and the Chief Financial Officer or the person responsible for financial management shall certify to the effect. The details of CSR activities, Impact Assessment etc. are required to be reported by all the companies in the 'Annual Report on CSR' including annual action plan on CSR which is part of the Company's Board Report. Further, those companies who have their websites are required to make disclosures such as composition of CSR Committee, CSR Policy and CSR projects approved by Board on their website. The existing legal provisions regarding formation of CSR committee, formulation of CSR policy, Annual Action Plan on CSR, identification of the project and area in which project will be implemented, certification of CSR expenditure by Chief Financial Officer (CFO) and audit of CSR expenditure by statutory auditors, etc., provide adequate mechanisms to ensure transparency and accountability. The Board has to ensure that the approved amount has been spent on the assigned activity(ies). In case of receipt of complaint against the companies and officers-in-default, detailed examination is conducted and in case any variation is found, penal action as per provisions of the Act following due process of law is initiated.
