Will the Minister of CIVIL AVIATION **नागर विमानन मंत्री** be pleased to state:-

- (a) the details of ongoing and proposed infrastructure development works at Bagdogra Airport;
- (b) the details of the funds sanctioned and released for the expansion of terminal building, parking and runway extension; and
- (c) whether the Government has set any timeline for the completion of these projects and if so, the details thereof?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Murlidhar Mohol)

(a) & (b): The Airports Authority of India has undertaken the development of New Civil Enclave at Bagdogra Airport at an estimated cost of Rs.1549 crore. The development works include construction of a New Terminal Building with an annual capacity to handle 10 million passengers, construction of an Apron capable of accommodating 10 parking bays suitable for A-321 type aircraft, link taxiways Multi-Level Car Parking and allied works.

(c): The projected date of completion for the project is March, 2027. However, the timeline for completion of the airport projects depends upon many factors such as land acquisition, availability of mandatory clearances, financial closure etc.
