ANSWER

Minister of State in the Ministry of CIVIL AVIATION

(Shri Murlidhar Mohol)

(a) The details of direct flights operating from airports in India to Jeddah, Saudi Arabia is at Annexure.

(b) & (c) The international operations of airlines are governed by the bilateral Air Services Agreement (ASA) between India and the respective country. In accordance with the ASA, Indian designated carriers are free to mount operations to/from any point including Kolkata to foreign destinations as per mutually agreed capacity limits, while any designated foreign airline can operate to/from a point in India if it is designated as a point of call in the ASA. The start of direct international flights from any point in India is purely a commercial decision of scheduled airlines on the basis of passenger demand, availability of slots, economic viability of the route and other associated factors.;
