MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES

(a): The number of micro enterprises assisted and estimated employment generated State-wise, district-wise in the State of Himachal Pradesh and in the Chatra Lok Sabha Constituency of Jharkhand under Prime Minister's Employment Generation Programme (PMEGP) during the last three years is given at **Annexure I**.

(b): Under PMEGP, beneficiaries belonging to rural areas and beneficiaries under Special category which includes Scheduled Castes (SCs) and Scheduled Tribes (STs) are eligible for higher rates of margin money (MM) subsidy and lower own contribution of the project cost as compared to General category beneficiaries. Beneficiaries belonging to Special Category are eligible for MM Subsidy ranging from 25-35% of the project cost in urban and rural areas respectively as compared to 15-25% for General category. Own contribution of beneficiaries under Special Category is 5% of the project cost as compared to 10% of project cost for General Category beneficiaries.

The number of micro enterprises assisted under PMEGP in the rural areas and SC/ST owned enterprises in the Chatra Lok Sabha Constituency in the state of Jharkhand during the last three years is given below:

Financial Year	Rural areas		SC		ST	
	No. of micro enterprises Assisted	MM Subsidy (Rs. Lakh)	No. of micro enterprises Assisted	MM Subsidy (Rs. Lakh)	No. of micro enterprises Assisted	MM Subsidy (Rs. Lakh)
