Will the Minister of AYUSH be pleased to state;

- (a) the outcome of investments facilitated through platforms such as AYUSH Nivesh Saarthi;
- (b) the details of operational projects, MSME participation and employment generation;

- (c) the key countries contributing to Foreign Direct Investment (FDI) and research and development (R&D) collaborations;
- (d) whether there has been an increase in the export of AYUSH medicines and products after the launch of the AYUSH Nivesh Saarthi platform;
- (e) if so, provide details thereof including key countries importing AYUSH medicines and products after the launch of the Ayush Nivesh Saarthi platform; and
- (f) whether there is any proposal to set up any centre of Yoga Vigyan in various districts of the country and if so, the details thereof?

ANSWER

THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH (SHRI PRATAPRAO JADHAV)

(a) Ministry of Ayush has launched Ayush Nivesh Saarthi portal on 29th May 2025 which aims to boost traditional medicine systems as a strong economic sector of the country. The portal has acted as a comprehensive investment facilitation platform, promoting opportunities in Ayush sector. It serves as a global hub for information related to trade in medicinal plants, derivatives & extracts and supports the growing export market for Ayush products encouraging research and development as well as collaborations between industry and academia.

Through Ayush Nivesh Saarthi Portal, Ministry of Ayush has consolidated existing policy frameworks & incentive structures, showcased investment ready projects and facilitated real time investor engagement under one unified interface.

(b) The Ayush Nivesh Saarthi Portal is primarily an investment facilitation and information dissemination platform, while it does not directly implement, generate employment or monitor operational projects, the portal provides information and guidance to a wide range of stakeholders, including Micro, Small and Medium Enterprises (MSMEs), by showcasing investment opportunities, relevant policies, schemes and Ayush Statistics.

(c) Foreign Direct Investment (FDI) up to 100% is permitted through the automatic route in the Ayush sector, encouraging global investment. Ministry of Ayush has signed 27 Country to Country MoUs for Cooperation in field of Traditional Medicine, 54 Institute to Institute level MoUs with foreign institutes for undertaking Collaborative Research/Academic collaboration. The details are attached at Annexure-A and Annexure-B respectively.

(d) & (e) The Ayush Nivesh Saarthi Portal serves as an investment facilitation and trade promotion platform. While the portal itself does not directly track or attribute export figures to individual transactions, its launch has strengthened visibility of the Ayush sector in global markets and supported exporters through dissemination of country-wise market intelligence, standards, and incentive schemes. Major importing countries of Ayush medicines and products, include the United States of America, European Union countries, United Arab

Emirates, France, Russia, UK, and South-East Asian nations as per data available with Directorate General of Commercial Intelligence and Statistics (DGCI&S), Ministry of Commerce and Industry.

(f) There is no proposal to set up centre of Yoga Vigyan as on date.

List of MoUs/ Agreements signed with Foreign Countries for Cooperation in Ayush

S.No	Title of MoU	Country
