

**GOVERNMENT OF INDIA
MINISTRY OF AYUSH**

**LOK SABHA
UNSTARRED QUESTION NO. 1251
TO BE ANSWERED ON 06.02.2026**

AYUSH Treatment in Moradabad, Uttar Pradesh

†1251. Mrs Ruchi Vira:

Will the Minister of AYUSH be pleased to state:

(a) the manner in which the Government has reviewed the healthcare needs of Moradabad district, where access to specialised treatments such as Panchakarma Unani medicine and naturopathy remains limited due to the absence of a fully functional AYUSH hospital;

(b) the support provided by the Government, in coordination with the State Government to upgrade AYUSH infrastructure by ensuring deployment of trained personnel, availability of treatment equipment, development of pharmacies and provision of facilities such as digital health records; and

(c) the roadmap prepared by the Government for the establishment of a dedicated AYUSH hospital in Moradabad district including the details of bed capacity, OPD and IPD services, emergency care, medicine units and yoga-wellness centre facilities, so as to ensure improved treatment services and to generate employment opportunities in the region?

ANSWER

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH
(SHRI PRATAPRAO JADHAV)**

(a) to (c) Public Health being a State subject, the primary responsibility to review the healthcare needs of Moradabad district in terms of access to specialized treatments such as Panchkarma, Unani medicine and naturopathy lies with respective State Government. As reported by State Government of Uttar Pradesh, 12 Ayurvedic Hospitals (including One unit of 25 bedded & two units of 15 bedded Hospitals), 01 Unani Hospital, 16 Homeopathic Hospitals, 03 Yoga Wellness Centres, 03 Ayushman Aarogya Mandirs and 01 Homeopathic Medical College are currently operational in Moradabad district. Doctors and medicines are available in all the hospitals, and yoga sessions are conducted daily at the Yoga Wellness Centres (YWC) and Ayush Health & Wellness Centers now known as Ayushman Arogya Mandir (Ayush).

Under Centrally Sponsored Scheme of National Ayush Mission (NAM), as per the proposals received from State Government through State Annual Action Plans (SAAPs), they have been supported for upgradation of Ayush infrastructure including treatment equipment

and deployment of skilled personnel. As informed by the State Government, Ayush Intelligent Medicine Management System (AIMMS) for real time monitoring of patient and medicine data, is in place and operational in the State. Ministry of Ayush has been implementing a Central Sector Scheme Ayush Oushadhi Gunavatta evam Utpadan Samvardhan Yojana (AOGUSY), since FY 2021-22 with total Budgetary allocation of Rs. 122.00 crores for five years (2021-22 to 2025-26). One of the components of AOGUSY scheme is strengthening and up-gradation of Ayush pharmacies and drug testing laboratories to achieve higher standards. Detailed guidelines are available at: <https://ayush.gov.in/resources/pdf/schemes/aoushdhi.pdf>

Under NAM, there is a provision for establishment of 50/30/10 bedded Integrated Ayush Hospitals to get treatments through OPD/IPD services from different Ayush interventions including Yoga. Accordingly, State Governments avail financial assistance by submitting suitable proposal through SAAP as per the provision of the NAM guidelines.
