

**GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
LOK SABHA
UNSTARRED QUESTION NO. : 128**

(To be answered on the 29th January 2026)

OPERATIONALISATION OF JEWAR AIRPORT

128. SHRI ANIL YESHWANT DESAI

Will the Minister of CIVIL AVIATION **नागर विमानन मंत्री** be pleased to state:-

- (a) whether it is a fact that the proposed Jewar airport in Uttar Pradesh near the national capital is going to open shortly and if so, the main attractions and amenities that would be available at the said Airport;
- (b) the present status of rail and road connectivity from Jewar airport to various parts of the national capital and the Indira Gandhi International Airport, New Delhi; and
- (c) the steps proposed to be taken to reduce the reporting time for domestic and international passengers?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Murlidhar Mohol)

(a) to (c): Noida (Jewar) International Greenfield Airport project is in advanced stage of completion. The Terminal building of approx. 1.38 lakh sqm with 3900 metre long runway and associated infrastructure would be able to handle 12 million passengers per annum (MPPA). The airport will feature a paperless passenger facilitation system, including self-baggage drop, self-boarding and all DigiYatra enabled gates, to support efficient passenger processing. These measures are aimed at improving processing efficiency and reducing queue wait times at various passenger touch points.

The present connectivity to Noida airport is as follows:-

- (i) Connection to Yamuna Expressway through interchange
- (ii) Connection to Delhi-Mumbai Expressway at Yamuna Expressway through Interchange
- (iii) Dedicated North and East Access Road for Air Cargo
