DETAILS OF STEPS TAKEN BY STATE GOVERNMENT OF UTTAR PRADESH TO SUPPORT LOCAL ENTREPRENEURSHIP AND SMALL BUSINESSES RELATED TO PRODUCTION OF CHEMICALS, FERTILIZER OR PHARMACEUTICAL IN AMROHA DISTRICT OF UTTAR PRADESH:

Under MSME Policy 2022, manufacturing units related to chemicals, fertilizers, pharmaceutical production and other manufacturing units are being incentivized in Amroha district as well as all districts of the State through capital subsidy, interest subsidy, CGTMSE coverage, reimbursement of employer's EPF contribution, etc.

Under the technical scheme, micro and small units are being benefited through capital subsidies, interest subsidies, branding assistance, etc.

Further, under the 'Ease of Doing Business' initiative, approvals are being facilitated in a simplified and time-bound manner through the 'Single Window System' operated via Invest UP. Additionally, various schemes of the State Government such as the 'Mukhyamantri Yuva Udyami Vikas Yojana (CM YUVA)', 'One District One Product (ODOP)', 'Mukhyamantri Yuva Swarozgar Yojana', and other MSME-related schemes are being implemented with the objective of especially promoting youth and women entrepreneurs. Under these schemes, training, credit facilities, guidance and grant-in-aid in the form of subsidies are provided. These schemes are encouraging youth and women entrepreneurs to establish enterprises in pharmaceutical, chemical and allied manufacturing sectors. Thus, through the industrial and investment policies implemented by the Government of Uttar Pradesh, adequate support is being provided for the promotion of local entrepreneurship, employment generation, and empowerment of women and youth entrepreneurs in Amroha district and its various development blocks.
