MINISTRY OF AYUSH**

**LOK SABHA
UNSTARRED QUESTION No. 1336
TO BE ANSWERED ON 06.02.2026**

Expansion of AYUSH Services

1336. Smt. Geniben Nagaji Thakor:

Will the Minister of *Ayush* be pleased to state:

- (a) the number of AYUSH hospitals, dispensaries and medical colleges in the country, State/UT-wise and Stream-wise;
- (b) whether there has been expansion of AYUSH services in the rural and tribal areas across the country; and
- (c) if so, the details thereof along with the details of financial assistance provided for the same in this regard?

**ANSWER
THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH
(SHRI PRATAPRAO JADHAV)**

(a) The total number of Ayush Hospitals, Ayush dispensaries and Ayush Medical colleges in the country, State/UT-wise and Stream-wise as on 01.04.2023, as reported by State/UT Governments is furnished at **Annexure –I, II & III** respectively.

(b) Under the National Ayush Mission (NAM), Ministry of Ayush is supporting the efforts of State/UT Governments to expand Ayush services across the country, including in rural and tribal areas, by providing financial assistance based on the proposals received through State Annual Action Plans (SAAPs). This support includes colocation of Ayush units at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), establishment of 10/30/50 bedded Integrated Ayush Hospitals, establishment of new Ayush dispensaries, upgradation of Ayush hospitals and dispensaries, establishment of Ayush educational institutions, upgradation of Ayush under-graduate institutions, upgradation of Ayush postgraduate (PG) institutions including add-on PG, pharmacy and paramedical courses, and upgradation of existing Ayush dispensaries into Ayushman Arogya Mandir (Ayush) to deliver comprehensive primary healthcare services.

Further, under NAM, State/UT Governments are being supported for implementation of various structured Ayush public health programmes in different parts of the country, including rural and tribal areas, to address the healthcare needs of the population by leveraging the preventive, promotive, curative and rehabilitative potential of Ayush systems, either as

standalone interventions or as add-ons to conventional healthcare. These programmes include the National Programme for Prevention and Management of Osteoarthritis and other Musculoskeletal Disorders, integration of Ayush with the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS), SUPRAJA for strengthening Ayush-based maternal and neo-natal interventions, VAYO MITRA for Ayush geriatric healthcare services, AYURVIDYA for promotion of healthy lifestyle among school children through Ayush, Ayush Mobile Medical Units for healthcare delivery in underserved, remote and tribal areas, KARUNYA for Ayush palliative care services, and the National Programme on Ayush for Morbidity Management and Disability Prevention (MMDP) of Lymphatic Filariasis (lymphoedema). Through these interventions, there has been a sustained expansion of Ayush services in the country, including across rural and tribal areas, thereby improving access to holistic healthcare services for the masses.

(c) Under the Centrally Sponsored Scheme of the National Ayush Mission (NAM), the Ministry of Ayush has approved 203 Integrated Ayush Hospitals (IAHs) for establishment, 21 Ayush educational institutions, and 384 new Ayush dispensaries based on the proposals received from States/UTs through their State Annual Action Plans (SAAPs). The State/UT-wise list of Integrated Ayush Hospitals, Ayush Dispensaries and Ayush Educational Institutions supported for establishment in the country under NAM during 2014-15 to 2024-25, is furnished at **Annexure-IV**.

Further, under NAM, a total grant in-aid of Rs. 1032.86 crore, Rs. 179.21 crore and Rs. 81.55 crore has been approved to the State/UT Governments for establishment of Integrated Ayush Hospitals, Ayush educational institutions and Ayush dispensaries, respectively, during the period from 2014-15 to 2024-25.
