- (e) whether the Government issue is likely to instructions to the State regarding time bound filling up of these vacancies on permanent basis keeping in view the deteriorating condition of medical services in rural areas of Uttar Pradesh and if so, the details thereof?

**ANSWER**

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH  
(SHRI PRATAPRAO JADHAV)**

(a) to (c) Ministry of Ayush is implementing Centrally Sponsored Schemes of National Ayush Mission (NAM) through State Government and accordingly, the primary responsibility of recruitment, disbursement of salaries and fixing of role & responsibility of Ayush Doctors in Uttar Pradesh lies with respective State Government. State Government of Uttar Pradesh has informed that Ayush doctors under the NAM are being engaged on a contractual basis and remuneration is being paid as per prevalent market rates in State and further appraised that there is no delay or cancellation of interviews.

The State Government has also highlighted that they maintains a policy of “Zero Tolerance” towards any form of harassment. No formal evidence indicating systemic “mental

exploitation” has been recorded by the State Government so far. However, district-level officials have been sensitized from time to time to promote a professional and conducive work environment. The State Government has further stated that they are committed to ensure fair and transparent working conditions for Ayush doctors by continuous monitoring and evaluation. Further, Grievance redressal mechanisms are in place at the State and National levels through different platforms and representations received are examined and addressed as per established procedures.

(d) Recruitment under NAM in Uttar Pradesh is carried out in accordance with constitutional and State reservation policies for OBC, SC, and ST categories. Complaints, if any, are examined on a case-to-case basis and appropriate action is taken.

(e) Public Health being a state subject, recruitment to permanent posts falls under the preview of the respective State/UT Governments including Uttar Pradesh. The Union Government, through NAM, regularly advises States to ensure adequate availability of human resources, especially in rural areas. The State Government informed that, they are taking steps to improve service delivery by filling vacancies in a time-bound manner and strengthening Ayush healthcare infrastructure.
