- (e) the total distribution of fertilizers under ONOF scheme, State-wise including Pali Parliamentary Constituency in Rajasthan?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS
(SMT. ANUPRIYA PATEL)**

(a) to (e) Vide notification dated 24th August, 2022, Government of India has decided to implement One Nation One Fertilizers (ONOF) by introducing Single Bharat Brand for Fertilizers and Logo under Fertilizer subsidy scheme namely "Pradhanmantri Bhartiya Janurvarak Pariyojna" (PMBJP). All fertilizers companies viz Public sector, Cooperative and Private sector are required to sell subsidized fertilizers under brand name "BHARAT" across the country. The objective of the scheme is to increase the availability basket of fertilizers; take care of dilemma among farmers in choosing from plethora of brands manufactured by various companies available in the markets, reduce the crisscross movement and further ensure timely supply of fertilizers across the country. By consolidating branding under a single "BHARAT" brand, the scheme fosters transparency, combats malpractices, and ensures equitable access to essential nutrients for crops. The mandate of Department of Fertilizers is to ensure adequate availability of fertilizers at State level. The distribution of fertilizes within the State at district level is done by the concerned State Government. The State-wise and year-wise sales of fertilizers under the ONOF scheme is placed at **Annexure - I**. The district-wise and year-wise sales of fertilizers including Palghar district in the State of Maharashtra under the ONOF scheme is placed at **Annexure - II**. The year-wise sales of fertilizers in Pali Parliamentary Constituency in Rajasthan under the ONOF scheme is placed at **Annexure – III**.
