LOK SABHA
UNSTARRED QUESTION NO-1501
ANSWERED ON 09.02.2026

Collecting of UDISE+ Data

1501. Shri Tatkare Sunil Dattatrey:

Will the Minister of EDUCATION be pleased to state:

(a) the details of the methodology of collecting UDISE+ Data from schools in the country;
(b) whether the Government is aware that over 13.2 lakh schools have not reported the total number of classrooms they have in the UDISE+ Data for the year 2024-25 and if so, the details thereof,
(c) the details of steps taken by the Government to ensure that schools give timely and accurate data to Ministry of Education to support its various policy initiatives; and
(d) whether any initiatives are being taken by the Government to expand the variables on which information is collected under UDISE+ Data and if so, the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SHRI JAYANT CHAUDHARY)

(a) to (d): The Unified District Information System for Education Plus (UDISE+) developed by DOSEL collects data from all recognised schools' details on various aspects of on school. Data in UDISE Plus is filled in directly by the schools using the portal viz., http://udiseplus.gov.in/#. UDISE Plus data are validated and verified at Block, District and State level for ensuring its authenticity.

Regular correspondences, monitoring and review meetings with States/UTs are undertaken to address the data quality and to ensure its timely and accurate, reporting on UDISE+ portal. For the first time in 2022-23, UDISE+ application has been revitalized by creating a student registry to capture individual student wise details.
