

**GOVERNMENT OF INDIA
MINISTRY OF COOPERATION**

**LOK SABHA
UNSTARRED QUESTION NO. 1622
TO BE ANSWERED ON 10th FEBRUARY, 2025**

Urea Distribution by KRIBHCO and IFFCO to Cooperatives

1622. Shri Dushyant Singh:

Will the Minister of COOPERATION (सहकारिता मंत्री) be pleased to state:

(a) the present mechanism for allocation and supply of urea to cooperative societies through KRIBHCO and IFFCO, including the criteria used for distribution across States and districts;

(b) the total quantity of urea supplied by KRIBHCO and IFFCO to Primary Agricultural Credit Societies (PACS), cooperative marketing societies and other cooperative institutions during the last three years, State and district-wise for the State of Rajasthan;

(c) the steps taken by the Government to ensure timely, adequate and uninterrupted availability of urea to farmers particularly those in aspirational and underserved districts such as Jhalawar–Baran, especially during peak sowing periods; and

(d) the measures being taken to strengthen the cooperative distribution network to ensure easy access to urea for small and marginal farmers?

ANSWER

**THE MINISTER OF COOPERATION
सहकारिता मंत्री (SHRI AMIT SHAH)**

(a) State-wise allocation of urea is made by the Department of Fertilizers, Ministry of Chemicals and Fertilizers, Government of India. The intra-State distribution of urea to cooperative societies, dealers and retailers is carried out in accordance with the fertilizer distribution policy of the respective State Government. Urea is allocated to the State on a monthly basis by the Department of Fertilizers. Upon receipt of the monthly allocation, the Department of Agriculture of respective State Government issues necessary instructions for onward distribution within the State.

(b) The district wise details of the total quantity of urea supplied by KRIBHCO and IFFCO to the State of Rajasthan during the last three years, is placed at **Annexure**. The distribution of fertilizers within the State is done by the respective State Government.

(c) Following measures are taken by the Government every season for ensuring timely and adequate availability of fertilizers across the States, including in aspirational and underserved districts such as Jhalawar–Baran:

- i. Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the state-wise & month-wise requirement of fertilizers.
- ii. On the basis of requirement projected by DA&FW, D/o Fertilizers allocates adequate quantities of fertilizers to States by issuing monthly supply plan and continuously monitors the availability.
- iii. The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called integrated Fertilizer Management System (iFMS).
- iv. Regular Weekly Video Conference is conducted jointly by DA&FW and D/o Fertilizers with State Agriculture Officials and corrective actions are taken to dispatch fertilizers as indicated by the State Governments.

(d) The Government is implementing several structural, digital, and financial measures to strengthen the cooperative distribution network and ensure that small and marginal farmers have easy access to urea:

- i) Fertilizer retail outlets, including PACS, are being transformed into Pradhan Mantri Kisan Samridhhi Kendras (PMKSKs) to function as one-stop centres for fertilizers, seeds, pesticides, soil testing and advisory services; over 38,000 PACS are functioning as PMKSKs.
- ii) To streamline distribution and eliminate brand confusion, all subsidized fertilizers (Urea, DAP, NPK, and MOP) are now supplied under a single brand name, "**Bharat**," and a unified logo under the Pradhan Mantri Bhartiya Janurvarak Pariyojna (PMBJP).
- iii) Monitoring the flow of subsidized fertilizers through the **Integrated Fertilizers Monitoring System (iFMS)**.
- iv) Cooperative Education Conferences and Empowerment Campaigns to enhance the operational efficiency of the network at the grassroots level.
