- (b) the number of flights operated from the said airport during the last ten years and the details of works carried out during the said period;
- (c) whether there is any proposal for expansion of the said airport and if so, the details thereof; and
- (d) whether there is any future plan to commence international flights from the said airport and if so, the details thereof?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION
(Shri Murlidhar Mohol)

(a) to (c): The Aircraft movement and passengers handled at Udaipur Airport during the last 10 years is provided in Annexure.

Airport expansion and improvement of passenger facilities is an ongoing process carried out by AAI and other airport operators, depending on land availability, viability, socio-economic factors, traffic demand as well as other facilities related to intended aircraft operations.;

At present, the construction of a New Terminal Building at Udaipur Airport at a cost of Rs. 887.00 Crores, with annual capacity of 4.5 MPPA is in progress. ;

(d): Udaipur Airport is a domestic airport. The commencement of international operations from an airport depends upon traffic potential, demand from airlines for

the operation of international flights, and bilateral Air Services Agreement, besides the provision of relevant airport facilities. Presently, no such plan for the commencement of international operations from Udaipur Airport is under consideration in the Ministry of Civil Aviation.
