**ANSWER**

THE MINISTER OF STATE FOR JAL SHAKTI  
(SHRI V. SOMANNA)

- (a) to (c) Since August 2019, Government of India is implementing Jal Jeevan Mission (JJM) – Har Ghar Jal, in partnership with States/ UTs including Tamil Nadu, to make provision of tap water connection to every rural household of the country. The Union Cabinet approved the implementation of JJM for a period of five years i.e. 2019-20 to 2023-24, during which, States/ UTs were required to complete the planning, approval, and implementation of water supply schemes under the mission. States/ UTs were also informed that the central support under JJM would be limited to the funds availed during the mission period only.

The State Level Scheme Sanctioning Committee (SLSSC) of the Government of Tamil Nadu accorded approval to Hogenakkal Water Supply Project, Phase-III, in June 2023; however, the project could not be awarded within the mission period.

Hon'ble Finance Minister during her budget speech 2025-26 had announced extension of JJM until 2028.
