**ANSWER**

Minister of State in the Ministry of CIVIL AVIATION (Shri Murlidhar Mohol)

(a) & (b): Regional Connectivity Scheme-Ude Desh ka Aam Nagrik (RCS-UDAN) is a market-driven scheme under which airline operators assess the feasibility of operating on specific routes and participate in the scheme through periodic bidding rounds. The selection of airlines is carried out through a transparent bidding process. If any airline submits a valid bid for the requested routes in a future bidding round, the same will be considered in accordance with the provisions of the UDAN Scheme. However, airlines are also free to operate flights on these routes independently, subject to airport feasibility and their commercial viability.

Currently, M/s Star Air is operating commercial flights between Vidyanagar and Bangalore.
