

GOVERNMENT OF INDIA
MINISTRY OF FOOD PROCESSING INDUSTRIES
LOK SABHA
UNSTARRED QUESTION NO. 2275
ANSWERED ON 12TH FEBRUARY, 2026

AUGMENTATION OF FOOD PROCESSING CAPACITY

2275. SHRI HARISH CHANDRA MEENA:

Will the Minister of *FOOD PROCESSING INDUSTRIES* be pleased to state:

- (a) whether it is a fact that despite schemes like the Pradhan Mantri Kisan Sampada Yojana, Production Linked Incentive Scheme for Food Processing and the Agriculture Infrastructure Fund, the processing capacity for fruits, vegetables and dairy products in the country is still extremely inadequate compared to the total production, leading to price losses for farmers;
- (b) if so, the annual targets fixed, investments made and sector-specific action plan formulated by the Government to increase this capacity;
- (c) whether it is also a fact that in semi-arid States like Rajasthan, the processing of millets, pulses, oilseeds, fruits and dairy-based products is limited due to inadequate cold-chain, warehousing and food park infrastructure and if so, the details thereof;
- (d) the details of approved, ongoing and completed projects along with the grants released thereunder, district-wise; and
- (e) the present status of operational and proposed food processing clusters, millet hubs and cold storage projects in Tonk-Sawai Madhopur Lok Sabha Constituency including the details of sanctioned funds, employment generated and benefits accrued to farmers?
