**ANSWER**

**THE MINISTER OF STATE FOR JAL SHAKTI**

(SHRI RAJ BHUSHAN CHOUDHARY)

**(a) to (d)** PMKSY is an umbrella scheme, consisting of two major components being implemented by Ministry of Jal Shakti, namely, Accelerated Irrigation Benefit Programme (AIBP), and Har Khet Ko Pani (HKKP). HKKP, in turn, consists of Command Area Development and Water Management (CADWM), Surface Minor Irrigation scheme (SMI), Repair-Renovation-Restoration of water bodies (RRR), and Ground Water Management. However, during approval for continuation of PMKSY during 2021-26, Ground Water Management Component was only approved for committed liabilities.

In addition, Watershed Development component (WDC) of PMKSY is being implemented by Department of Land Resources. Further, Per Drop More Crop (PDMC) was implemented by Department of Agriculture and Farmers Welfare (DoA& FW) under the umbrella of PMKSY during 2016-22, which is now being implemented by DoA& FW under Rashtriya Krishi Vikash Yojana (RKVY).

Under **AIBP**, **HKKP-SMI** and **CADWM**, no new proposal received and approved during the last five year in Andhra Pradesh.

Further under **HKKP-RRR**, the rejuvenation of 135 water bodies at a total estimated cost of Rs. 70.72 crore with Rs. 42.432 Crore Central Assistance were sanctioned during 2021-22. The details are annexed as **Annexure-I**.

Apart from the above, under PMKSY-PDMC, 305.279 thousand hectare area has been brought under micro irrigation in Andhra Pradesh with central assistance of Rs. 946.42 Crore during last five years. The details are annexed as **Annexures-II**.

Similarly, under WDC component of PMKSY, the Central Assistance of Rs. 380.76 Crore was released for 59 projects in 13 districts of Andhra Pradesh. Out of Rs. 380.76 Crore, Andhra Pradesh government has utilized Rs. 360.02 Crore from 2021-22 to till date. The details are annexed as **Annexures-III**.

(e) Central Water Commission (CWC) regularly monitors the projects under three components of PMKSY namely AIBP, CADWM & SMI-RRR. The concurrent evaluation by an independent agency and audit of the scheme, to be undertaken by the State Government, which has not been carried out by the Government of Andhra Pradesh.

Under WDC-PMKSY, a third-party agency has been engaged through AP Procurement tenders and the agency is regularly submitting the field observation reports as per the prescribed MoU norms. Further, Department of Land Resources at Central level has engaged National Institute of Rural Development and Panchayati Raj, Hyderabad for Mid-Term evaluation of WDC-PMKSY projects across all States/UTs including Andhra Pradesh. The evaluation of the PDMC Component was taken up by the NITI Aayog during 2020-21.
