

GOVERNMENT OF INDIA  
MINISTRY OF JAL SHAKTI  
DEPARTMENT OF DRINKING WATER & SANITATION  
**LOK SABHA**  
**UNSTARRED QUESTION NO. 23**  
ANSWERED ON 29/01/2026

**HABITATIONS COVERED UNDER JAL JEEVAN MISSION IN ANDHRA PRADESH**

23. SHRI PRABHAKAR REDDY VEMIREDDY

Will the Minister of JAL SHAKTI be pleased to state:

- (a) whether it is true that the Government has covered nearly 2,200 habitations in Nellore district of Andhra Pradesh under the Jal Jeevan Mission to provide safe drinking water;
- (b) if so, whether it is also true that more than 1,000 habitations out of these 2,200 habitations are yet to receive 55 litres per capita per day (LPCD) of safe drinking water and if so, the details thereof; and
- (c) the efforts being made by the Government to provide 55 LPCD of safe drinking water in the above habitations and the time by which this is likely to be done?

**ANSWER**

THE MINISTER OF STATE FOR JAL SHAKTI  
(SHRI V. SOMANNA)

(a) to (c) Since August 2019, Government of India, in partnership with States, is implementing Jal Jeevan Mission (JJM)-Har Ghar Jal to enable every rural household in the country, to have assured potable water through tap connection. Drinking water is a State subject, and hence, the responsibility of planning, approval, implementation, operation, and maintenance of drinking water supply schemes, including those under the Jal Jeevan Mission, lies with the respective State/UT Governments. The Government of India supports the States by providing technical and financial assistance.

As per information reported on JJM-IMIS portal by the State Government of Andhra Pradesh, out of 2,110 habitations in Nellore district, 681 habitations comprising 1,36,573 households, have been fully covered with FHTCs, achieving 100% household coverage. 1,198 habitations, with 2,89,636 households, have achieved partial coverage (more than 50% FHTC coverage.) 202 habitations, covering 31,835 households, have less than 50% FHTC coverage. And only 29 habitations, with 2,371 households, currently do not have access to FHTCs. The State Government has planned 4,146 Nos. of Schemes under JJM, out of which 1,197 have been physically completed and 1,61,835 Nos. of house connections have been provided.
