- (c) the total capacity of solar energy expected to be generated from the solar parks and ultra-mega solar power projects in Tamil Nadu and the progress has been made towards meeting this target;
- (d) the primary reasons for the extension of the scheme's timeline and the manner in which the Government plans to overcome challenges related to land acquisition, environmental clearances; and
- (e) the steps are being taken by the Government to ensure that the development of solar parks in Tamil Nadu leads to the creation of sustainable jobs?

ANSWER

THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER

(SHRI SHRIPAD YESSO NAIK)

(a) to (e) There is no solar park developed in Tamil Nadu under the scheme for "Development of Solar Parks and Ultra-Mega Solar Power Projects."

Previously, two solar parks were sanctioned in Tamil Nadu which were subsequently cancelled due to slow progress with the primary reason being difficulty in land acquisition.
