

**GOVERNMENT OF INDIA  
MINISTRY OF HOUSING AND URBAN AFFAIRS  
LOK SABHA  
UNSTARRED QUESTION NO. 3384  
TO BE ANSWERED ON MARCH 12, 2026  
WASTE WATER MANAGEMENT IN MORADABAD**

**NO. 3384. MRS RUCHI VIRA:**

**Will the Minister of HOUSING AND URBAN AFFAIRS be pleased to state:**

- (a) whether the Government has reviewed the adequacy of waste water management, urban drainage and reuse of treated water in Moradabad district, Uttar Pradesh, particularly in the rapidly expanding urban and semi-urban areas of Moradabad city and Pakbara where discharge of untreated sewage, clogged drains and waterlogging during monsoon are affecting public health and contaminating surface and ground water sources;**
- (b) if so, the details of the measures, including expansion of sewage treatment capacity, drain remodelling works, water reuse initiatives, monitoring mechanisms and inter-departmental coordination taken by the Government to mitigate urban water stress and pollution in the district; and**
- (c) if not, the reasons therefor?**

**ANSWER**

**THE MINISTER OF STATE IN THE  
MINISTRY OF HOUSING AND URBAN AFFAIRS  
(SHRI TOKHAN SAHU)**

**(a) to (c): Water and Sanitation is State subject. Government of India supplements the efforts of the States through schematic interventions/ advisories. It provides financial and technical support to the States through various schemes/ Missions such as Atal Mission for Rejuvenation and Urban Transformation (AMRUT) and AMRUT 2.0.**

**Under AMRUT/ AMRUT 2.0, the States/ Union Territories are empowered to select, appraise, prioritise and implement the projects.**

**Under AMRUT, Uttar Pradesh has taken up 14 projects worth ₹388.01 crore in Moradabad district which included 04 sewerage/septage management projects worth ₹365.62 crore covering 1.13 lakh sewer connections (including households covered under septage management). The State had not taken up any Sewage Treatment Plant (STPS) augmentation or storm water drainage projects under AMRUT in Moradabad district.**

**Under AMRUT 2.0, 11 projects worth ₹436.89 crore have been approved in Moradabad district. The State has not taken up any sewerage and septage management project under AMRUT 2.0 in Moradabad district.**

**As informed by the State, for used water management in Moradabad Nagar Nigam, against the estimated present sewage generation of 130 Million Litres per Day (MLD), total installed capacity of STP is 103 MLD. To cater the gaps in sewage treatment facilities, project for Interception & Diversion of Drains and Sewage Treatment Plant for Moradabad has been sanctioned under Namami Gange Programme, which includes installation of 02 STPs with total capacity 80 MLD. Further, Sewerage projects in Kanth and Bilari town have been approved under Swachh Bharat Mission (Urban) 2.0.**
